Dear Lara,

We want to take this opportunity to commend all of you for the excellent care you have given our mother, Freda Cohen. In particular, we want to mention Allison and Vera from Wellness who have gone above and beyond in helping all of us to meet Freda's needs. They have generously given of their time, knowledge and compassion in caring for Freda. Now that the time has come for her to move on to another level of care in a new Bristal (East Northport), we can only hope the staff there is as excellent as you all have been.

Everyone at the Bristal at East Meadow has made us feel like it really is a home, not just a facility for the elderly. We will miss all of you and I know Freda will, too. Fortunately, Patricia is the director there and a familiar face for us. We will expect Freda to make a good adjustment and hope for the best.

Thank you again for all your hard work and caring.

Sincerely,

The Family of Freda Cohen
